Subject: Examination Reports of Physicians Insurance A Mutual Company and subsidiaries
Jim,

I have been asked to provide you with our review of the factual material presented in the Examination Reports for Physicians Insurance A Mutual Company (PI), Northwest Dentists Insurance Company (NORDIC), and Western Professional Insurance Company (WPIC). We are very pleased with these reports and will comply with all instructions and recommendations. We believe the following matters will improve the factual accuracy of the reports.

1. Page 19 of the PI report mentions \$21.6 million of stock investments. This number includes the value of our holdings in our wholly owned subsidiaries, NORDIC, WPIC, and AIS. While the report mentions that about 20% of our stock investments is in "industrial stocks", we think it would be helpful to specify that the approximate value of common stock investments other than in subsidiaries is \$4.33 million, representing about 1.72 % of total assets.
2. On page 9 of the WPIC report and page 11 of the NORDIC report, the subsequent events sections are inapplicable to those companies except for the retirements and, for WPIC only, the moratorium. There was no moratorium in NORDIC, and all of the adverse development was in PI. As for retirements, one subsequent event overlooked in the WPIC report was the retirement of Patricia Berger, Vice President/Litigation Management (which is mentioned in the PI report).
3. On page 7 for WPIC and 8 for NORDIC, these companies have no property and therefore are not named insureds on the Commercial Property, Electronic Data Processing, and Commercial Automobile policies.
4. On page 10 for NORDIC, the first excess reinsurance retention is \$500,000 making the reinsurance limit \$2,500,000. NORDIC has no Legal Expense Reimbursement Quota Share because it does not offer the coverage, and NORDIC does not have D&O Quota Share for clinics for the same reason.
5. WPIC page 4. Dr. Skubi's first name should be spelled "Kazimer".
6. WPIC page 8, under Actuarial Review, the report states that "the company cedes all of its losses...to PI." This is not exactly true as WPIC maintains facultative reinsurance contracts with other companies for limits above \$5 Million.
7. In the NORDIC and PI reports, Instruction 3 misspells Ballantyne as Ballantyn.
8. Sometimes the reports spell Tom Myers name as Tom Meyers. The correct spelling is Myers.

I hope this information is helpful.
